

Press Release

„Congratulations to everyone on the International Environment Day

The Administration has taken all measures for ensuring the appropriate treatment to all seven injured employees in a timely manner; taking care of them is our company's priority and we will be maximally involved in their treatment and rehabilitation process. All employees of the "Saknakhshiri GIG Group" enjoy 100% medical insurance services.

Our special focus is made on each of the miners and creation of safe work environment for them. To this end, the company has is relevant strategy and the introduction of the planned modern management system is underway. The new structure envisages creating of the relevant structure and appointment of the Director of the Safety and Environmental Protection Service, which means maximal minimization of any human error during working process.

The Director General of the Holding is on the site; he is conducting working meeting on the effectiveness of planned management new strategy with the management of the company.

05.06.2014

Founded in April 2006, "Saknakhshiri" (GIG) Ltd is wholly owned by GIG with the operations focused on coal mining activities, including coal extraction and enrichment A solely owner of economically important coal mining assets, Saknakhshiri is a premier coal mining company in Georgia and only provider of locally mined coal. Dzidziguri and Mendeli mines, where current operations are taking place, represent the key production assets.

The company owns a coal reserve amounted to 331 million tons in Tkibuli-Shaori region, while in Vale mineshafts (currently the mine is shut down), Saknakhsiri owns brown coal reserves of 76 million tons. David Bezhuashvili is the founder of Georgian Industrial Group.
