## Renewed Eco Station "Neogaz" in Zestaponi

The renovated eco station "Neogaz" was opened in the village Argveta, Zestaponi Region. The station is equipped with the latest technologies. New mechanisms have been introduced taking European standards into account. The safety and highest standards will be fully observed at the station. "Neogaz" has employed about twenty local residents in Zestafoni, at this stage.

The opening ceremony was attended by the company representatives, the Chairman of

Zestaponi Municipal Council (Sakrebulo), First Deputy of Governor, and other representatives of local government.

"Neogaz" offers maximum comfort to customers. The fast food outlet will be opened, the infrastructure will be arranged for electric vehicles - electric chargers, volcano and car wash, at the station in the nearest future. Within the campaign "Step on the Gas" the company gave gifts to "Neogaz" customers: water, map, branded car sunscreen and bag and eco gifts eco pencil with pine seeds for planting a tree.
