

Press Release

"Georgian Industrial Group" as a Social Responsibility Company supports the development of social enterprises operating in Georgia

For this purpose the company was actively involved with the organization of the Center for Strategic Research and Development (CSR DG) and partnership with the Alliance of Social Enterprises, the Georgian Industrial Group was a silver sponsor of the event.

On November 3, the B2B exhibition of social enterprises was held for the first time in Georgia.

The main goal of the event is to promote business relationships between social enterprises and leading business companies and to introduce produced products.

Due to the format of the exhibition, business sector representatives, according to their interests, had the opportunity to negotiate with each of the social enterprises on future cooperation.

GIG - the company having 20 - year business experience is one of the largest Industrial Group in Georgia. Its business portfolio includes coal mining, electric power generation (hydro, natural gas and coal-fired stations) natural gas trade and real estate management. David Bezhuashvili is the founder of Georgian Industrial Group.
