Miniature sculptures dated back to BC: "David Bezhuashvili's Education Foundation" Gift for the Art Palace

Within the joint project of David Bezhuashvili Educational Foundation and Art Palace: Unique archaeological items have been saved from been taken out of Georgia.

Archeological samples, which date back to 7-6 centuries, are part of archaeological treasure of Georgian Art Palace. Exhibits: The god of fertility and the tur have already undergone primary conservation work, cleaned of millennial dust and patina. Soon the newly acquired samples will also be placed in a permanent exposition.

The leading archaeologists of Georgia have defined the figures of god of fertility and the tur as unique, which, according to their estimates, are not likely to have an analogue.

Rare exhibits are the next purchase of the project "National treasury", which was purchased by "David Bezhuashvili Education Foundation" from a private collector.

GIG - the company having 20 - year business experience is one of the largest Industrial Group in Georgia. Its business portfolio includes coal mining, electric power generation (hydro, natural gas and coal-fired stations) natural gas trade and real estate management. David Bezhuashvili is the founder of Georgian Industrial Group.
