Gas stations network "NEOGAS" opens new station

On May 9, 2014 the Georgian International Energy Corporation (GIEC) opened a new gas station of the "NEOGAS" brand.

The "NEOGAS"s new gas station is equipped with modern technologies, in particular the compressor of one of the market leaders - Argentinean ASPRO and the gas columns of the Italian FORNOVO. In Kutaisi gas station of the NEOGAS the customer will be served in 24 hours mode by the appropriate trained staff; the personnel of the station ensure the vehicles' quick, high-quality and safe process.

Value of 1 m³ compressed natural gas will be 1 GEL. The station is located in 1, Gugunava street, at the entrance to the city of Kutaisi.

9.05.2014

"Georgian International Energy Corporation" (GIEC) was established in July 2005. Today it holds 100% of shares of GIG. GIEC's main strategic business unit includes the production and sale of natural gas. At present, GIEC operates 8 small hydroelectric PowerStation in Georgia and thermal PowerStation of strategic importance, which is located in Gardabani region and provides significant energy reserves. David Bezhuashvili is the founder of Georgian Industrial Group.
